MISSION

To be recognised as a center of excellence, nurturing independent thinkers and passionate learners who are committed to making the world a better place.

VISION

At Delhi Public School, Patna East, we are dedicated to creating responsible global citizens equipped with intellectual curiosity, critical thinking, and a sense of responsibility. We focus on the holistic development of our students by emphasising conceptual learning, skill development and social responsibility. Through our structured curriculum, we aim to empower each child to make informed choices and contribute positively to society.

Shri V. K. Shunglu
Chairman
Delhi Public School Society

CHAIRMAN'S MESSAGE

Delhi Public Schools are not just about education. We perceive our role as custodians of this country's future and strive to encourage our children to excel not only academically but also as responsible citizens of tomorrow, with a deep sense of duty towards the nation.

It gives us immense pride to be part of the noble mission of imparting quality education to children from all sections of society without prejudice or discrimination. Our best wishes to all those working towards making quality education accessible to all.

I convey my best wishes to those who will become torchbearers of this mission, committed to providing an educational experience of high standards for all our students and enabling them to reach their full potential as lifelong learners and creative problem solvers.

Our responsibility is to nurture all aspects of their development intellectually, emotionally and socially - so they become worthy human beings who will leave a lasting legacy for posterity.

Sanjay Tiwari
Principal

PRINCIPAL'S MESSAGE

Dear Members of School Fraternity,

Warm greetings and with immense pleasure, I welcome you to this great institution which has carved a niche in the world of education. It is an academic honour for me to share my thoughts with you as an educator, co-learner and facilitator of teaching-learning.

While carrying out my academic and administrative responsibilities, I have understood that education is a marathon and not a sprint. A key part of the responsibility to educate young minds revolves around the dimensions of holistic development and overall well-being of the child. Besides working on intelligent quotient, let us also work on Happiness Quotient, the most important ingredient of a child's life - a Happy Schooling with a paradigm shift from child-centric to child-led environment and processes leading to actual learning beyond textbooks.

What would be the best way to learn? I think that it is not possible to comprehend the dimensions of human potential and possibilities which can be created on the canvas of eternity through a child. Our belief system and vision echo around the epicentre of holistic approach to reach out to the core of development so that the child becomes a steadfast "Centre of Learning" for all of us. A child is an institution himself/herself. Let the air on this earth be embroidered with threads of empathy amongst countries through these future inhabitants because they need to help everyone to iron out the wrinkles on fabric of souls to maintain peace in this world.

Sooner or later, a child has to cross the boundaries of somewhat controlled eco system called classroom/home and learn in a much bigger and complex school called Life. For this, we need to change. The fact of the matter is, when resisting change becomes more costly than accepting change, change happens. Challenging the status quo takes commitment, courage, imagination, and, above all, dedication to learning. The challenge of the heart is one of motivation, of urgent need to act, and of hope for success, and the courage to risk it.

Let us prepare our children to become a human being first, identify and accept the fact that the cosmic fibres weave the same fabric for all creatures and the texture of divine grace exists everywhere in this Universe. Only with this understanding, they can qualify Life's real practicals/exams and graduate everyday with flying colours. This is the ultimate goal of education – Self Actualization through character building and value systems.

With this, I wish you all the very best for being a part of an educational renaissance leading towards becoming mature, peaceful and beautiful souls fostering love and happiness all around and end this suffering to the mankind.

I am insanely positive about the fact that just a few years down the line, the weather report will read that a plume of fresh happiness comes whooshing in from everywhere, even from outlandish places and smites the human existence with a stroke of love and joy.

And let me reiterate with all possible emphasis that we see it happening at DPS Patna East all the time. I invite you to come and join parent-educator partnership to witness this transformation wherein we mould young generation into True Human Beings to take care of Humanity.

Take home a piece of forever Happy Learning with a sip of smile,

ABOUT US

Delhi Public School, Patna East, nestled on a sprawling 21-acres campus, proudly stands as one of the largest DPS campuses in India. Established in 2020, we are dedicated to providing exceptional education within our state-of-the-art facilities. Our fully residential, co-educational institution is designed not only to foster academic excellence but also to cultivate essential life skills, ethical leadership and environmental stewardship. Affiliated with the Central Board of Secondary Education (CBSE), DPS Patna East offers a vibrant and inclusive learning environment where students from diverse backgrounds flourish and thrive.

The Story of Our Estate

The Estate: A Learning Sanctuary - Nestled within the serene embrace of a sprawling, lush 21-acres campus, DPS Patna East is more than just a school; it is a vibrant sanctuary for holistic learning and personal growth. Our estate is thoughtfully designed to foster an environment where students can flourish academically, socially, and emotionally, all while remaining connected to nature and their surroundings.

A Green Oasis

Our campus is a green oasis in the heart of Patna, enveloped by lush gardens, towering trees, and vibrant flora. The expansive grounds not only offer a serene backdrop for learning but also serve as an open classroom where students can engage with nature, participate in outdoor activities and cultivate a deep appreciation for environmental conservation. The estate's eco-friendly infrastructure and sustainable initiatives exemplify our unwavering commitment to sustainability and responsible living.

The Learning Ecosystem: A Micro-City of Excellence

1. Little Scholars' Wing (Junior Block)

The Junior Block is a vibrant, inviting space crafted for our youngest learners, from Nursery to Class V. This lively area features age-appropriate furniture, bright and colourful classrooms and safe play zones that cater to the distinct needs of early childhood development. With dedicated corners for creative arts, enchanting storytelling books and interactive learning zones, the Junior Block nurtures curiosity and instills a lifelong love for learning in a supportive and stimulating environment.

2. Scholars' Wing (Senior Block)

The Senior Block, designed for students from Class VI onwards, is a dynamic hub of intellectual engagement. This vibrant space boasts state-of-the-art laboratories, specialised classrooms, and subject-specific activity rooms that promote hands-on, experiential learning. To further enrich academic development, the Senior Block features a cutting-edge Computer Lab, a dedicated Mathematics Lab, two fully equipped libraries brimming with resources and an immersive Language Lab, providing students with access to modern resources and technology that elevate their learning experiences. The thoughtful design of the Senior Block embodies our commitment to academic excellence, equipping students for higher education and future careers with confidence and skill.

3. Governance Wing (Administrative Block)

The Administrative Block is the heartbeat of our school, home to the management and support staff who ensure smooth campus operations. Thoughtfully designed to enhance efficient communication and collaboration among faculty, parents and students, this space serves as a vital hub of activity. It features a spacious conference hall, ideal for meetings, workshops, and seminars, nurturing a culture of continuous improvement and professional development. Here, innovation and teamwork flourish, driving our commitment to excellence.

4. Athletic Excellence Centre (Sports Complex)

Our sports complex stands as a vibrant testament to our belief in the vital role of physical education and sports in a child's development. Featuring international-standard fields for football, cricket, basketball, and tennis, alongside an advanced indoor gymnasium and an advanced aquatic centre, this facility offers students unparalleled opportunities to excel in their chosen sports. With regular and vigorous coaching, exciting competitions, and comprehensive fitness programmes, we ensure that our students remain active, healthy and disciplined.

Our visionary goal is to create a state-of-the-art multi-facility sports complex that will elevate athletic excellence at our school. This ambitious project will feature a cutting-edge shooting range and introduce horse riding to our campus, offering students unique opportunities to explore diverse sports. With these enhancements, we aim to cultivate a dynamic environment that nurtures both physical skills and a passion for outdoor activities, empowering our students to reach new heights in their athletic pursuits.

5. Artistry Hall (Performing Arts Centre)

The Performing Arts Centre is a vibrant sanctuary dedicated to nurturing artistic talents and fostering creativity. With a modern auditorium, well-equipped music rooms, and inspiring dance studios, it provides students with a dynamic platform to explore their artistic passions and showcase their skills. The centre hosts an array of cultural events, competitions, and workshops, making it an integral part of our school community where creativity flourishes and the spirit of the arts thrives.

6. Knowledge Nexus (Research and Innovation Hub)

This futuristic segment of the estate is crafted to ignite a spirit of inquiry and innovation. Featuring advanced technology and an array of resources, the hub provides students with access to cutting-edge tools for research and experimentation. Here, young minds collaborate on projects, engage in science fairs, and strive to develop solutions for real-world challenges.

CURRICULUM AND PEDAGOGY

School With a Difference

Progressive school pedagogy aiming to make learning interesting, motivating & stimulating	Flexible and age-appropriate curriculum catering to the needs of each and every child	Interactive teachers' sessions enabling out-of-the-box thinking among pupils	Focus on life skills, intra-personal and inter-personal development
Peer group interactions focusing on value education	Holistic, unique and integrated approach to learning preparing students for life	Project-based learning focusing on building 21st century skills	Mix of blended learning, flipped classrooms and hybrid learning

Science is a universal language that transcends every field of knowledge, dedicated to unraveling the intricacies of the physical and natural world through observation and experimentation. At DPS Patna East, we regard the teaching of science as essential, acknowledging that science and technology are woven into the very fabric of human existence in today's dynamic and fast-paced world.

The Art of Science Integration at DPS Patna East

We believe in blending arts and science to create a more engaging and immersive learning experience. Our approach involves using art as a cross-curricular tool to enrich scientific understanding and foster creativity. Here's how we incorporate the arts into the learning journey:

Empowering Future Leaders through Diverse Academic Streams

At DPS Patna East, we are excited to introduce the Humanities, Commerce, and Science streams for students entering Classes XI and XII. These streams are thoughtfully crafted to provide specialised learning experiences that align with each student's academic passions and career aspirations. Our mission is to equip students for higher education and competitive exams by offering a dynamic curriculum enriched with hands-on learning opportunities, empowering them to thrive in their future endeavors.

Humanities: Cultivating Critical Thinking and Social Awareness

The Humanities stream at DPS Patna East is dedicated to fostering students' intellectual curiosity and social consciousness. Subjects such as History, Political Science, Psychology, Sociology, and Geography empower students to gain profound insights into societal dynamics and human behaviour. Through project-based learning, spirited debates, and immersive field trips, students will engage with contemporary social issues, cultivate empathy, and hone their critical thinking skills.Commerce: Moulding Future Entrepreneurs and Business Leaders

Our Commerce stream is crafted to equip students with vital skills in business, economics, and finance. Core subjects such as Accountancy, Business Studies, Economics, and Mathematics are complemented by practical exposure to real-world business scenarios. Students will engage in simulations, internships, and workshops led by industry experts, preparing them for successful careers in business management, entrepreneurship and commerce-related fields.

Science: Building Innovators and Problem Solvers

The Science stream emphasizes a profound understanding of the physical and biological sciences. With subjects such as Physics, Chemistry, Biology, and Mathematics, students will benefit from access to state-of-the-art laboratories and enriching research opportunities. Our commitment to experiential learning ensures that students not only master theoretical concepts but also cultivate strong analytical and problem-solving skills. Specialized coaching for exams like IIT-JEE, NEET and Olympiads further empowers students to achieve academic excellence.

Comprehensive Academic Support

Each stream is supported by a team of seasoned and experienced educators who offer personalized attention to ensure that students excel in their chosen fields. With structured study hours, additional coaching and access to the Research and Innovation Hub, students are equipped with the essential tools they need to thrive academically and in their future careers. Our faculty's expertise and commitment to student success create an enriching environment that fosters growth and achievement.

A Holistic Approach to Education

In alignment with our mission to provide holistic education, these new streams will integrate a balanced approach to academics, co-curricular activities and community engagement. Whether students are exploring the intricacies of social systems, delving into the world of business, or unraveling the mysteries of the universe, DPS Patna East is committed to nurturing them into well-rounded individuals poised to make meaningful contributions to society.

A PLACE WHERE DREAMS TAKE SHAPE

We eagerly anticipate welcoming the next generation of leaders, thinkers and innovators to our Senior School, where their journey of growth and discovery begins.

Advanced Learning Facilities at DPS Patna East

At DPS Patna East, we take pride in our strong emphasis on integrating science and art while offering a diverse array of specialised learning environments that support holistic development:

- Language Lab, Mathematics Lab, and Science Lab: Each lab is thoughtfully equipped with modern tools and resources, ensuring students engage in hands-on, experiential learning in core academic subjects. Our science lab is meticulously outfitted with essential safety measures and equipment, allowing students to conduct experiments under expert guidance.
- Music Room and Art & Craft Room: These inspiring spaces ignite creativity and artistic expression, providing students with opportunities to explore their talents in music, painting, crafting and various other forms of creative arts.
- Library: Serving as the heart of our learning environment, our well-stocked library offers a rich selection of books, digital resources and quiet study areas that nurture a love for reading and research.
- Swimming Pool and Sports Facilities: Our commitment to physical education shines through in our extensive sports facilities, featuring an international-standard swimming pool and courts for basketball, football, cricket and table tennis. With regular coaching and competitions, we foster discipline, teamwork and sportsmanship alongside academic excellence.

Through a holistic and immersive approach to education, DPS Patna East empowers students to excel not only in academics but also as well-rounded individuals. Whether in the science lab, on the sports field, or in the art room, our students are encouraged to explore, innovate and express themselves, shaping them into thinkers, creators and future leaders.

GLIMPSES OF HOSTEL LIFE : WHERE MEMORIES ARE MADE AND FRIENDSHIPS BLOOM

Boarding House Facilities

Boarding House: A Nurturing Haven; A Home Away from Home.

At DPS, Patna East, our Boarding House is more than just a place to stay—it is a nurturing abode where students discover a true sense of belonging, forge lifelong friendships, and blossom into independent, confident individuals. Nestled within the serene and secure confines of our expansive campus, the Boarding House offers a unique blend of comfort, discipline, and camaraderie, creating a warm and welcoming atmosphere that is integral to the holistic educational experience we provide.

Thoughtfully Designed Living Spaces

The Boarding House is thoughtfully crafted to offer a safe, inviting, and homely atmosphere for our residents. The facilities feature modern amenities, with air-conditioned rooms accommodating three students each, striking the perfect balance between personal space and shared living. Each room is furnished with cozy beds, dedicated study areas and ample storage, ensuring that students have the comfort they need to focus on their studies and engage in extracurricular activities.

Common areas such as the spacious living room, elegant dining hall and vibrant recreational zones are designed to cultivate a sense of community among students. These inviting spaces serve as gathering points where boarders can unwind, share their experiences, and forge lasting friendships.

Comprehensive Care and Support

Our dedicated pastoral care team, comprising experienced housemasters, matrons, and support staff, ensures that every boarder receives personalised attention and nurturing support. From academic guidance and emotional assistance to health and wellness monitoring, our staff is always on hand to help students navigate the challenges of boarding life and fully embrace their time at DPS, Patna East.

Regular interactions with the pastoral staff foster a sense of discipline, responsibility and self-reliance, equipping students for life beyond school. We also emphasise the significance of a healthy lifestyle, offering nutritious meals prepared in-house, regular medical check-ups and a structured daily routine that harmonises academics, recreation and rest.

WHERE TALENTS ARE DISCOVERED AND NURTURED

A BLEND OF LEARNING AND LAUGHTER

A Vibrant Community Life

The Boarding House is a vibrant melting pot of cultures, with students hailing from diverse backgrounds and regions. This multicultural environment enhances the boarding experience, exposing students to a myriad of perspectives and fostering the development of empathy, respect and open-mindedness. Cultural events, inter-house competitions and collaborative activities are regularly organised to promote a spirit of teamwork and healthy competition.

Life in the Boarding House is dynamic and brimming with opportunities for personal growth. Students engage in a wide range of co-curricular and extracurricular activities, including music, dance, art, sports, and community service, all of which contribute to their holistic development. Weekend outings, movie nights and social events further enrich the vibrant boarding experience, ensuring that students enjoy a balanced and fulfilling life.

Academic Support and Enrichment

Recognizing that academic excellence is a priority for our boarders, the Boarding House offers structured study hours supervised by qualified educators. These sessions provide essential academic support, enabling students to clarify doubts, complete assignments and prepare for examinations in a focused and conducive environment.

Additionally, specialized coaching for competitive exams such as IIT-JEE, NEET, NTSE, and Olympiads is available on campus, ensuring that our boarders have access to top-tier resources and guidance without the need to venture off-campus. This comprehensive support system empowers students to achieve their academic aspirations while maintaining a balanced and healthy lifestyle.

Wellness and Security

The safety and well-being of our students are of utmost importance. The Boarding House is fortified with round-the-clock security, CCTV surveillance, and controlled access points to ensure a secure environment. Furthermore, all boarders receive training in emergency procedures, and regular safety drills are conducted to prepare them for any situation.

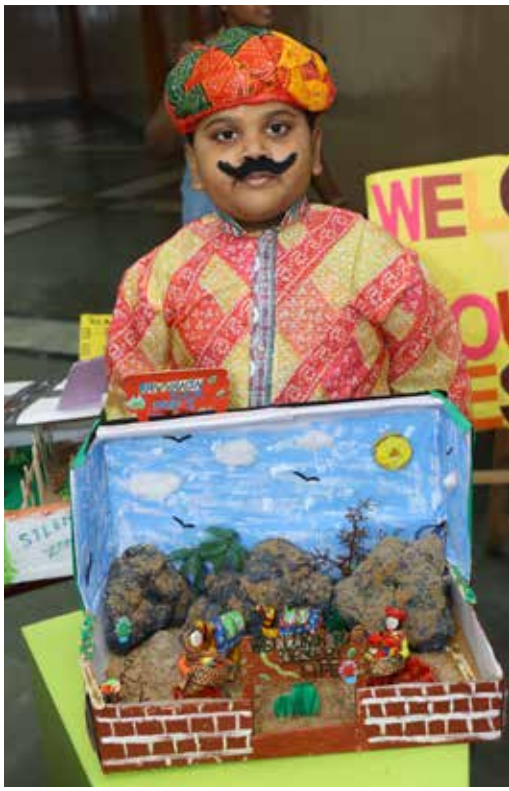

Our boarding staff is trained in first aid, and a fully equipped infirmary, staffed by a resident nurse and an on-call doctor, is available to address any medical needs. This comprehensive support system offers parents peace of mind, knowing that their children are in safe and nurturing hands.

Equipping Students for Life Beyond School.

Boarding at DPS Patna East is a transformative journey that transcends academics. It is a setting where students cultivate time management skills, embrace responsibility for their actions, and make independent decisions. Within a structured yet nurturing environment, they foster resilience, adaptability, and leadership qualities that equip them to face the challenges of the future.

The camaraderie and friendships forged in the Boarding House extend far beyond the school walls, creating a robust network of support that lasts a lifetime. Whether it's collaborating on exam preparations, engaging in spirited sports, or sharing a laugh over dinner, the experiences that unite our boarders become treasured memories, laying the foundation for a strong, interconnected alumni community.

DPS Patna East Boarding House is a vibrant, supportive haven where students learn, live, and grow together. It is a place that nurtures their academic, social, and emotional well-being, ensuring that they emerge as well-rounded, confident and responsible individuals, poised to take on the world. We invite you to become part of this extraordinary journey - a home away from home where every student is cherished and every dream is nurtured.

Professional Development for Teachers: Cultivating Excellence

At DPS Patna East, we believe that the growth of our educators directly impacts the success of our students. Hence, we prioritise in-house training and development workshops, tailored to ensure that our teachers remain at the forefront of educational innovation. Through these immersive sessions, our faculty engages with the latest pedagogical research, technological advancements and dynamic teaching strategies. By investing in our educators, we are investing in a brighter future for every child at DPS Patna East. Our commitment to teacher excellence means that children benefit from a learning environment that is both supportive and stimulating.

Enriching Minds: Inspiring Talk Sessions with Experts

At DPS Patna East, learning goes beyond the classroom. Renowned resource people from various fields-scientists, authors, entrepreneurs, artists and more are invited to share their experiences and knowledge with our students through engaging talk sessions.

These interactive talks provide our students with unique opportunities to explore diverse perspectives, ask questions and gain real-world insights from experts who are shaping the world around them. Through these enriching experiences, students are encouraged to think critically, dream big and connect their academic learning with real-world applications.

A TYPICAL DAY GROWING MINDS ;

AT SCHOOL: GROWING DREAMS.
